Hi Elizabeth – thanks for talking today. I just left you a voicemail message. I wanted to give you a heads up that I am going to be reaching out to Fred to share with him some of the concerns that I tried to convey to you. I also wanted you to know that someone at Teck (could be Peter) may be reaching out to Rick Albright, Allyn, or someone in the Regional Administrator's office. The Teck call won't happen until tomorrow, and I think folks are keenly aware of how tough the timing is.

Teck is requesting the same courtesy of a meeting to discuss the Tribes' request for EPA to weigh in on their costs, and I believe Peter or someone else and Teck will convey that directly.

Please feel free to call me on my cell if you'd like to discuss this.

Best,

Matt
